What is Democracy?

- ▶ Democracy is a system of government where representatives are voted onto office by the people.
- ▶ Democracy is linked to human rights and aims to ensure that everyone in a society is represented. Regardless of skin colour, religion, ability or a wide range of other factors, democracy should ensure that governments protect their people.

Why is International Day of Democracy Important?

- ▶ International Day of Democracy is an opportunity to assess issues like human rights, equality and conflict resolution throughout the world.
- ▶ It's a chance to reflect on our own freedoms and think about those who are less fortunate than us.
- ▶ How do we demonstrate democracy here at Wey Valley?

The Wey Valley Student Council

- ▶ As a tutor group you can hold a democratic vote as to who you would like to represent you and your views on the student council.

It could be you!

Would you like to be part of a group of students who act as the official voice for all students.

Can you represent and be the voice of your tutor group in Student Council meetings.

We need two members from each tutor group to form the Student Council body.
