Year 11 Parent Consultation Evening

On Thursday next week we will hold the final Year 11 Parent Consultation Evening. This will be online and you should have received a letter today detailing how to logon to book appointments.

Uniform

Thank you for your continued support in our efforts to keep the students looking smart. I appreciate that it is difficult as there seems to be a global shortage of some items of uniform. I can inform you that the School Wear shop has stocks of trousers, both plain and with a logo as well as school sweatshirts (which can be used both for general school wear under a blazer or for PE) and the new school Navy blue PE hooded top.

Parental Survey - <https://forms.office.com/r/tTZJYhejXR>

At the end of every term I send out a quick online survey to get your views on how we are doing. Please follow the link above to complete the latest survey. The information we collect will help to inform our future planning. If you have any issues you need to discuss please contact the relevant member of staff, usually a Head of Year, Curriculum Area Leader or member of SLT, the link below will take you to the staff contact list on our webpage.

Comic Relief

I have explained to the students that we have postponed our Comic Relief activities for today as we cannot do the event justice with the present restrictions in place. In the summer term we hope to have a day where we can arrange events to support local and national charities, free of the present confines of bubbles, masks and social distancing.

Easter School Meals Vouchers

We will be providing vouchers to families who claim Free School Meals during the Easter holiday. If your circumstances have changed and you are now eligible for FSM please do register or contact us for more information. You can also contact us if you are experiencing particular hardship at this time and we will endeavour to assist.
