

Dear Parents and Carers,

March 2021

### **Year 11 GCSE Information Evening Thursday 04 March 2021**

I hope you are well. You are probably aware from stories in the UK press that the summer 2021 model for awarding grades to students in year 11 has now been released by Ofqual. The full set of consultation decisions for GCSE subjects can be accessed [here](#) and the consultation decisions for vocational subjects (BTEC, CNAT and IVQ) can be accessed [here](#).

We are going to run an information evening on Thursday 04 March 2021 at 5pm to explain to parents and students how the process of awarding grades this summer will work. Normally we would not schedule an event at such short notice but we would like to share the information with you all before students return to school. The event can be accessed from 4:50pm on Thursday 04 March 2021 using the following link:

[Link to Y11 Assessment Evening](#)

The presentation will last for approximately 20 minutes and there will be time for questions at the end. Please note that we will only be able to answer questions about the process for awarding grades. We will not be able to discuss the progress of individual students during this information evening.

We look forward to seeing students for their lateral flow tests on Thursday 04 March 2021 and welcoming them back to school on Monday 08 March 2021.

Yours sincerely,

Thomas Neill

Vice Principal
