

Dear Parents and Carers,

May 2021

As a part of your child's education at Wey Valley Academy we promote personal wellbeing and development through a comprehensive P.H.S.E. curriculum. This subject area gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

The Department for Education has announced changes to relationships and sex education (RSE), which is part of our program of study. These changes are coming into effect from this summer term 2021 and all schools will be required to comply with the updated requirements by September 2021.

This means that we have been reviewing our RSE curriculum and policy so we can be sure our provision is appropriate for our pupils based on their:

Age

Physical and emotional maturity

Religious and cultural backgrounds

Special educational needs and disabilities

P.H.S.E. is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. All teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents and all stakeholders within it and as such we need your feedback to help us do this.

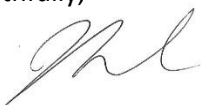

We would like to invite you:

To take the opportunity to view our policy and curriculum intentions. [PHSE Policy](#)

Complete a questionnaire in regard to PHSE provision.

This information can be accessed on our website through the following link:  
[RSE Parental Consultation Questionnaire](#)

Yours faithfully,

Julie Ashmore, Assistant Vice Principal: SMSC
