

Dear Parents and Carers,

May 2021

Welcome to Wey Valley Academy - Year 7 Transition for September 2021

You will now have received confirmation from Dorset Council that Wey Valley Academy, part of Ambitions Academies Trust, has offered your child a place for September 2021. We are delighted to welcome your child and your family to our community!

It is important that we have accurate, up to date contact information so we can communicate effectively with you. We do this by email for general information and by text or telephone for individual contact.

We already hold the name and some, or all, of the contact details submitted by the parents/carers who made the original application for a place via Dorset Council. We now need you to complete an **on-line form, found on the Transition page of our website** to grant us permission to contact you electronically and ensure we have up to date details. If anything has changed since you applied, you can update us on this form. We also need to gather information for all parents/carers who have legal parental responsibility for your child. Once you have granted permission, we can use these details to keep you up to date with our transition programme.

The on-line form can be accessed through this link: [Parent/Carers Contact Details](#)

There is a **second on-line form**, primarily for your child to complete, asking for details of their friends, favourite subjects and other information that we can use to get to know them better, but there are also a few questions for parents/carers to complete; please take the time to ensure it's completed fully.

The on-line form can be accessed through this link: [Student Survey](#)

We will request further important details on your child such as medical background, free school meal entitlement and emergency contacts and also send you details of our SIMS Parent App later in the Summer term.

Wey Valley Academy

Sian Thomas, BEd (Hons), CEO - AAT

Jon Webb, BA (Hons), Director of Secondary Education

Rob Russell, BEd (Hons), Principal
