

21st July 2021

Dear Parents,

Year 11 Results Day 12 August 2021

We are looking forward to seeing year 11 students on results day. This is an opportunity to celebrate the achievements of students and wish them the very best of luck in the future. Please see below for results day arrangements and a reminder of where to find information about our appeals process.

Collecting Results

GCSE results day this year will take place on 12 August 2021. Students will be able to collect their exam results from the Will Mackaness Hall from 09:00am to 11:00am. We will operate a one-way system and encourage students to wear masks.

We recognise that some students may not wish to collect their exam results from the site or may be unavailable. If this is the case then we can email results to students via their school email address. We need permission from individual students to release results in this way. Students should [click on this link](#) to complete a consent form if they would like the school to email results to them.

Students can also nominate an adult to collect their results on their behalf. If this is the case we will need to have an email from your school account with details of who you wish to collect the results. The designated adult will then need to provide photo identification when they collect your results. Please email Fiona Wilson, Exams Officer (Wilsonf@Weyvalley-academy.co.uk) to arrange this in advance.

If students do not collect their results and we do not hear from them using one of the methods above then exam results envelopes will be posted home.

Appeals

Information about the appeals process this year has been shared with parents and students. A copy of the letter that was sent to parents in June 2021 has been placed on our website and can be accessed by [clicking this link](#). JCQ (Joint Council for Qualifications) guidance documents and appeals forms can be accessed in the appeals section of the school website. Please [click on this link](#) to access.

If there are any questions about the information above please do not hesitate to contact me.

Yours sincerely,

Thomas Neill - Vice Principal
