

20 July 2021

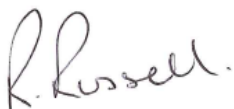

Dear Parents and Carers

IMPORTANT INFORMATION – YEAR 11 Prom

The Year 11 Prom will go ahead at the Nothe Fort this Friday starting at 5.30pm as it is an outside event. However, we will still need to put measures in place to mitigate against the risk of anyone contracting Covid19 at the event.

1. All students attending **must** collect a Lateral Flow Test kit from school reception and take a LFT on the Friday afternoon. They will not be allowed in without having collected and completed a test. If they bring the completed test with them, we will safely dispose of it.
2. If positive they **must not** attend the Prom. We will refund any ticket money on receipt of evidence of a positive Covid test.
3. Any student with symptoms of Covid19 – Continuous cough, high temperature, or loss of taste **must not** attend, if they arrive with symptoms they will not be allowed to attend the Prom and should take a PCR test.
4. They will be asked to sign into the Nothe Fort on arrival for Track and Trace purposes.
5. The weather forecast for the evening is currently 40% chance of light rain from 7pm so they should bring a coat or umbrella as it is an outside event!
6. They will also be required to wear face coverings in toilets and when they collect their food (using the one way system through the restaurant).
7. We ask that following the event all students leave the site promptly at 8.30pm

Yours faithfully
