

9<sup>TH</sup> September, 2021

Dear Parents and Carers,

**RE: Home Asymptomatic Testing**

In accordance with Government guidelines, we are resuming the twice weekly Covid home testing using the Lateral Flow Tests. Students will shortly be receiving a test box to take home, and we ask that testing is undertaken every Wednesday and Sunday evening. Results need to be recorded on the school form and the link to this can be found on the red banner at the top of the Web-site home page. Results can also be recorded on the Government system and details of this procedure can be found in the instructions in actual test boxes.

You will also find instructions including a video on how to home test on the web-site and again the link is on the Red Banner.

Should your child have a positive test result, please record this on the school form and notify the Head of Year. You will also need to follow the Government guidelines and book a follow up PRC test.

Yours faithfully,

Julie Ashmore (Assistant Vice Principal)

**Wey Valley Academy**

Sian Thomas, BEd (Hons), CEO - AAT

Jon Webb, BA (Hons), Director of Secondary Education

Rob Russell, BEd (Hons), Principal
