24th November 2021

Dear Parent

**COVID-19 vaccination for children aged 12 to 15 years of age**

Your child is invited to a COVID-19 vaccination clinic session in addition to sessions that have been or will be offered in school.

Information about COVID-19 vaccines is available at:

[COVID-19 vaccination: resources for schools and parents - GOV.UK \(www.gov.uk\)](https://www.gov.uk)

We are offering appointments from Saturday 27<sup>th</sup> November, 7 days a week, from 9.30am – 4.30pm. We ask that you email us with your child's name, school and tutor group and we will email you an appointment with further details.

Please note that guidance has changed recently and now healthy children in this age-group are required to **wait 90 days after a positive COVID test result before having the COVID vaccination.**

[dhc.covid1215appointments@nhs.net](mailto:dhc.covid1215appointments@nhs.net)

This offer is for specific schools only at this stage in order to operationally manage the running of the clinics. More offers for other schools will be available in the coming weeks.

All sessions will be held in the Dorchester area and all venue details will be sent on confirmation of your appointment. Please try to arrive in good time for your appointment.
